

Your Virtual Assistants for Home Care Excellence

Meet Your Secret Weapon in Home Care Ops

Home care is complex. Your back office doesn't have to be.

At Helper Heroes, we source, train, and deliver elite offshore staff to help home care agencies like yours run leaner, faster, and smarter.

We're not just another VA company. **We're owned by home care people.** That means we speak your language, feel your pain points, and know exactly how to help.

The Roles We Fill for You

- **Recruiting:** Source, interview & onboard caregivers
- **Scheduling:** Staff shifts & communicate with families
- **On-Call:** Weekends and after hours coverage
- **Finance:** Billing, payroll, reporting and more
- **Hybrid:** Variety of roles – packed into one hero

Why This Works

- \$13/hour billed vs. \$25–30/hour for U.S. admin staff
- 60%+ cost savings with higher retention
- VA turnover reduced by 70% compared to other providers
- Instantly plug into our Home Care Ops-in-a-Box model
- Flexible plans – 20 hours per week or 40+ hours a week

What Makes Helper Heroes Different?

Home Care-Specific

Every VA is trained **exclusively for home care**. We aren't generalists — we're industry specialists.

Owned by a Home Care Provider

With 18 years in the business, we've sat in your chair. We know your fires. That's why our VAs are trained to put them out.

Premium Pay = Stickier Staff

We pay our Filipino heroes **4x the market rate**. That means **higher loyalty, less turnover, better results**.

World-Class Training

Every VA is certified through our **Virtual Assistant Home Care Academy**, passing **four rigorous exams** tailored to home care operations.

Elite Talent Network

Our Filipino co-founder leads sourcing — tapping into **top-tier candidates** across recruiting, scheduling, finance, and more.

Flexible Plans

20 hours per week or 40+ hours a week.

**Imagine What Having a Hero Could Do for Your Business:
Fewer fires. Happier staff. Lower costs. Better margins.**

It all starts with a discovery call.
